

Test Managers ***“Improve your Test Leadership Skills”***

Business Challenge

Do you find it hard to get your message over to project managers and stakeholders?

Does your testing budget or resource plan come under pressure to be reduced?

Can you be sure you're getting the maximum potential from your testers?

Action

Decide whether a one day tutorial or a three day training course is most appropriate for you needs

Contact Aqastra by phone or email.

Ask about current “special offers”

Our Solution

We will improve your skill levels in

- Communication
- Negotiation
- Coaching

If you only have one free day, take our tutorial.

If you prefer a more in-depth approach, take our three day course.

Both options include practical exercises to help put your enhanced skills into practice.
